Albany County Waterbodies

Map 3
Albany County
Watersheds and Subwatersheds

Map Notes: The watershed and subwatershed delineations were created using an online mapping system designed by USGS called StreamStats. The delineation points represent drainage of all stormwater within each subwatershed to its confluence with a larger watershed, based on topography.

Stormwater Coalition of Albany County
Albany County, City of Albany, Town of Bethlehem, City of Cohoes, Town of Colonie, Village of Colonie, Village of Green Island, Town of Guilderland, Village of Menands, Town of New Scotland, City of Watervliet, Univeristy at Albany-SUNY
