# Stormwater Coalition of Albany County Joint Annual Report

### SPDES General Permit for Stormwater Discharges from <u>Municipal Separate Storm Sewer Systems</u> (MS4s) Permit No. GP-0-15-003

### <u>Reporting Period</u> March 10, 2019 to March 9, 2020

### BACKGROUND

A requirement of all regulated "MS4" municipalities is the submission of an Annual Report to the New York State Department of Environmental Conservation (NYSDEC) by June 1. As stated in SPDES General Permit No. GP-0-15-003, Part V. C. 2, "MS4s" may submit a Joint Annual Report provided they have a legally binding agreement. Each of the "MS4s" included in this report are co-signatories of such an agreement and the Stormwater Coalition Inter-municipal Agreement-Memorandum Of Understanding is posted on the Coalition website.

For Coalition "MS4s" the submission of a FINAL Joint Annual Report first involves posting the DRAFT Joint Annual Report on the internet for public comment (~14 days). If requested by two or more individuals a public meeting is organized and public comments or public meeting notes from local or Coalition led meetings are submitted with the Annual Report.

To learn more about MS4 Permit requirements, go to the NYSDEC website (<u>https://www.dec.ny.gov/chemical/8695.html</u>) and/or the Coalition website (<u>https://stormwateralbanycounty.org/</u>). To learn more about individual MS4 program implementation, go to the Coalition member page and follow links to individual "MS4" stormwater webpages. Your interest and understanding of stormwater program requirements is appreciated and public comments are strongly encouraged.

Due to social distancing mandates related to the Covid-19 pandemic and difficulties accessing records, the municipalities noted below (\*) will be posting their draft and final annual report on the Coalition website at a later date.

### TO SUBMIT PUBLIC COMMENTS (DUE 5/15/2020, 4pm)

1. Go to Stormwater Coalition website Home page "Public Comment" portal <u>www.stormwateralbanycounty.org</u>.

2. Contact the Local Stormwater Public Contact listed in the Joint Annual Report for each permit holder (See MCC Form).

3. Contact the individuals listed as Public Contacts on the Coalition website (see Member pages).

4. By e-mail <u>swcoalition@albanycounty.com</u> or office phone 447-5645 (leave a message).

### **OTHER INFORMATION**

1. Hard copies of this Draft Joint Annual Report are available upon request. Contact the Stormwater Coalition office by email <u>swcoalition@albanycounty.com</u> or local MS4/municipal offices by email (see Draft Annual Report MCM 2 Page 4 of 6 for contact information).

2. Public comments are due 4pm, Friday, May 15, 2020.

3. If interested, before the public comment period ends, individuals may request a public meeting. Due to Covid-19, date to be determined.

### JOINT ANNUAL REPORT FORMAT

The Annual Report document is a form developed by NYSDEC and as such provides a snapshot of program activities pertaining to individual member and collaborative Coalition activities. This DRAFT Joint Annual Report includes individual Annual Reports organized by MS4 type, see order below with shared Coalition data inserted at the end of each individual report. The SPDES Permit No. of each MS4 is in parenthesis. Goals for the upcoming year are based on an updated Joint Stormwater Management Program Plan document completed in April, 2020. To view the SWMP Plan Annual Evaluation, go to Coalition website Plan/Program tab.
